KEY TO ATTRACTIONS

- 1 ENTRANCE & GIFT SHOP.
- 2 GUIDED HOUSE TOURS. House dates back to 1840. Guides will conduct group tours through house, which is authentically furnished with Amish furniture.
- 3 SPRING HOUSE. Built over a running spring—the cold water serves as refrigeration.
- 4 AMISH VILLAGE STORE.
- 5 OPERATING SMOKEHOUSE. During the times hams are being smoked, you may observe this process through a glass window.
- 6 BLACKSMITH SHOP. An important part of Amish life, this shop is furnished with all the tools of the trade.
- 7 SCHOOLHOUSE. Built by Amish craftsmen, this authentically furnished Amish schoolhouse is a genuine example of how Amish children are educated today.
- 8 LIVESTOCK. No Amish farm would be complete without animals. See Mrs. Pig and her family, also goats, horses and others.
- 9 WINDMILL. This windmill operates a pump for watering livestock.
- 10 OPERATING WATER WHEEL. Operates a pump which waters the animals in the barn area. This same system may be seen throughout the Amish farmlands.
- 11 PICNIC AREA available after Tour of the House.
